MSA Advantage 200 Respirator

The MSA Advantage 200 Respirator is unlike any other half-face respirator you'll find. Offering unmatched fit and comfort, its the first combination of Hycar rubber and plastic that provides a customized fit. The result is a respirator that feels comfortable on any face. The MultiFlex System offers great stability which means it won't collapse during wear. With the newest MULTI-GAS Cartridge attached this respirator can be used in almost any environment. The cartridges filter out: organic vapors, chlorine, sulfur dioxide, ammonia, methylamine, formaldehyde, hydrogen fluoride and features a P100 particulate filter with a 99.97% filter efficiency level for use in environments where there might be paint spray, pesticides or extreme dust
